Customer Reviews

If you're a huge fan of the Powerpuff Girls like me, I highly recommend this trade. It's a newly reprinted trade that IDW has done from the DC Comics run because IDW has also started a new PPG comic as well. This is full of fun, color, and childhood memories. It's the same art from the television show and IDW has done a nice job with the reprinting. I was expecting something that might have made me feel too old reading it now, but whoever wrote these comics really made you feel like you were watching some never before seen episodes. What I liked the best you could read the character as the voice from the show. I really liked these and I'm glad IDW has the brains to publish them again.

I personally love the PowerPoint girls so I would recommend this to any fan of the series. My favorite story was the final one! :)

My 7 year old devoured this book on receipt. It's her first graphic novel and she loved it.

My daughter loves these so much!

Very good and entertaining.

I love this comic it's like it was a new special like PPG Dance Pantsed. It is the best book ever
