Tough Boy Sonatas

Synopsis

The darkness--and the goodness--in the lives of the young men of Gary, the armpit-city of Chicago, cries out in this poetry. The Chocolate City. Hell. The Land of Robbing Hoods. Gary, Indiana, has a number of names. It stands as a mother guarding her roach-like inhabitants, their crime, their greed. Has God left this town? Has He left the crumbling church where parishioners pocket donations for hamburgers and candy? Or does He turn the other cheek to pious morality, happy instead to see laughing and card playing and love from His flock on Saturday night? The solitary voice of the city's young men pose these questions in this bittersweet, poetic collection. Both angry poverty and innocent childhood are explored in this YALSA/ALA Best Book for Young Adults by Curtis Crisler with unclothed sincerity.
