The Washington Post Deskbook On Style

Synopsis

From one of the most prestigious papers in America comes a stylebook that discusses much more than just style. Also concerned with ethics, this manual will provide unlimited use to students, teachers, writers, and editors.

Customer Reviews

Absolutely the best style guide out there -- short, precise and jargon-free. Did I say short?!! look questions up in 23 seconds and go on. Perfect. Sure, it's out of print. Just means it's cheaper. I buy several at a time to give to our new staff members -- they use it daily. If you think you need a longer reference, you are over-thinking the problem.
