Insurance Handbook For The Medical Office, 13th Edition

Synopsis

A complete guide to insurance billing and coding, Insurance Handbook for the Medical Office, 13th Edition covers all the plans that are most commonly encountered in clinics and physicians' offices. Its emphasis on the role of the medical insurance specialist includes areas such as diagnostic coding, procedural coding, Medicare, HIPAA, and bill collection strategies. Learning to fill in the claim form accurately is made easier by the use of icons for different types of payers, lists of key abbreviations, and numerous practice exercises. This edition provides the latest on hot topics such as ICD-10, healthcare reform, the new CMS-1500 form, and electronic claims. Trusted for more than 30 years, this proven reference from Marilyn Fordney prepares you to succeed as a medical insurance professional in any outpatient setting. Emphasis on the business of running a medical office highlights the importance of the medical insurance specialist in filing clean claims, solving problems, and collecting overdue payments. Key terms and key abbreviations are defined and emphasized, reinforcing your understanding of new concepts and terminology. Detailed tables, boxes, and illustrations call out key points and main ideas. Unique! Color-coded icons clarify information, rules, and regulations for different payers. An Evolve companion website enhances learning with performance checklists, self-assessment quizzes, and the Student Software Challenge featuring cases for different payer types and an interactive CMS-1500 form to fill in. A workbook contains learning tips, practice exercises for key terms and abbreviations, review questions, study outlines, performance objectives, a chapter with practice tests, and critical thinking activities for hands-on experience with real-world cases. Available separately.

Customer Reviews

I bought this book used but to my surprise it came in excellent condition as tho it was new. No markings of any sort. This will help me a lot in my class and possibly pass this on to someone in need for this great instructional material. This was well written and easy to understand for a subject that needs a lot of analytical thinking for one to be able to process. Thanks for carrying this text book.

A MUST HAVE for anyone who does billing or coding in the medical industry. This book seems to cover it all as far as insurance compliance goes. Very handy tool to have in the office and has already gotten much use from me.

I've worked in the field for 17 plus years and the content in this book represents real life experience

My book came in perfect. Love it. The price was half the price of what I would of paid in the bookstore. Thank You

PERFECT! CAME EARLIER THAN EXPECTED AND WAS IN GREAT CONDITION! THANK YOU

Great information. I plan to keep it at my desk and use it as a reference.

There were just a few small stains but very little wear. Suited my needs.

THANK YOU SO MUCH!!! Amazing and its in perfect condition!! thank you!!!
