Understanding Medicare's NCCI Edits: Logic And Interpretation Of The Edits

Synopsis

Learn the logic behind coding correctly with Understanding Medicare's NCCI: Logic and Interpretation of the Edits. The only resource that provides a better understanding of Medicare's National Correct Coding Initiative (NCCI) edits, this book is a helpful guide to those who use the Current Procedural Terminology (CPT®) and HCPCS code sets for reimbursement. This new title builds understanding by walking coders, providers and payers through the logic behind the NCCI coding system and teaches coders how to make the correct determination regarding bundling vs. billing separately for edited services. Expanding on Medicare's basic guidelines, this book features:
