Indiana Birds: A Folding Pocket Guide To Familiar Species (Pocket Naturalist Guide Series)

Synopsis

The Hoosier State's diverse habitats are the permanent or migratory home of 418 species of birds, including the state bird – the northern cardinal. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

Customer Reviews

These State Nature Guides are wonderful! I've purchased several in the series at local state parks. They are just the right size for easy travel and have just what you're looking for. Very informative.

My wife and I were very happy with the Indiana Birds! the fact that the publication is waterproof is very beneficial. Very Handy.

Nice little laminated book & pages, but no depth to it

What I expected. Easy to read and it's protected.
