# Career Building Through Using Digital Publishing Tools (Digital Career Building)

## Synopsis

Printed books are becoming less common as digital publishing grows and continues to be popular. People are getting more of their information online through blogs, news sites, and social networking resources. In this comprehensive volume, readers can learn how to harness the popularity of digital publishing and turn it into a career. It includes some Quick Tip and Closer Look sidebars throughout for fast reference, covering copyright ownership, creating a resume, success stories of famous bloggers, staying safe online, and more. --This text refers to the Hardcover edition.
