Brainteasers For Young Einsteins

Synopsis

What is in the center of both America and Australia? Why, the letter "r," of course, as you would know if you correctly solved the 10 clues in "The End of the Line." This and dozens more challenging anagrams, crossword puzzles, and other word-play posers will amuse, provoke, and delight schoolchildren of all ages. Hints are sometimes given and answers are supplied for each of the 65 conundrums.
